Transcripts and Exhibits From Independent Investigation Into Sexual Harassment Allegations Against Former Governor Cuomo Begin to Be Released

Transcripts of Former Governor and Complainants Released Today

Additional Transcripts and Exhibits to Be Released on Rolling Basis

NEW YORK – The Office of the Attorney General (OAG) today began the [rolling release of transcripts and corresponding exhibits from its investigation into sexual harassment allegations against former New York Governor Andrew Cuomo](#). On August 3, 2021, after nearly five months of investigating, the independent investigators appointed by New York Attorney General Letitia James — led by Joon H. Kim and Anne L. Clark — [released their report concerning the multiple allegations of sexual harassment by Cuomo](#). Following the release of the report, multiple district attorneys asked that the OAG refrain from publicly releasing transcripts and other evidence so that their offices could first investigate and determine whether to file criminal charges against Cuomo.

However, following the filing of a criminal complaint against Cuomo on October 28, 2021 in Albany County, the Albany County District Attorney’s Office informed the OAG that it would begin releasing evidence to Cuomo to comply with New York state’s discovery laws. These laws state that once someone is charged with a crime they must be furnished transcripts and other evidence in their case. As these materials are now being released by the Albany County District Attorney’s office — and in an effort to provide full transparency to the people of New York — the OAG has informed local district attorneys that it will immediately begin releasing, on a rolling basis, all transcripts and corresponding exhibits compiled during the investigation, pending redactions to protect the privacy of individuals, as appropriate.

The investigation was conducted after, on March 1, 2021, the Executive Chamber made a referral, pursuant to New York Executive Law Section 63(8), for Attorney General James to select independent lawyers to investigate “allegations of and circumstances surrounding sexual harassment claims made against the governor.” Kim and Clark were chosen to lead the investigation on March 8, 2021.
